

I. AMENDMENT

Prior to further action on the merits, please amend the application as follows.

IN THE SPECIFICATION

Please ~~delete~~ the Sequence Listing presently of record in the application (pages 187 through 238) and substitute therefor the enclosed Sequence Listing (pages 1 through 54).

II. REMARKS

By the foregoing amendment to the specification the applicants have replaced the Sequence Listing of record with a substitute Sequence Listing. The pages of the substitute Sequence Listing have been renumbered independently of the numbering of the remainder of the application, pursuant to 37 C.F.R. §1.823(a)(1). The applicants request entry of the foregoing amendment to correct the Sequence Listing filed as part of the specification in the above-identified application. Accompanying the paper copy of the substitute Sequence Listing is a computer readable version of the substitute Sequence Listing as well as a "Statement Pursuant to 37 C.F.R. §1.825(a) and (b)".

The changes embodied in substitute Sequence Listing pertain only to compliance with formatting rules. The substitute Sequence Listing corrects the location of "n" in SEQ ID NO: 3. In particular, the location of "n" has been amended to recite "12 and 15". In view of the foregoing, the applicants submit that no new matter has been added via the submission of the substitute Sequence Listing.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN
